Char Parsley, Chair, CDHL Board of Trustees

The Washington State Center for Childhood Hearing Loss (CDHL) and the Washington School for the Deaf (WSD) recognize senior trips as an extension of the school experience. Seniors are welcome to plan and request staff support for day trips. WSD-sponsored senior trips must be approved by the principal and authorized by the superintendent. Senior trips may not include overnight stays.

The superintendent is directed to develop procedures consistent with this policy.
